

Week 11- Mon 10 April 2017

Na marni meyunna,  
welcome everyone.

Dear children and families,  
What a busy term it has been and how much growth we have seen. Our children have been getting to know their kindy friends and educators, developed safety expectations and explored within our kindy setting. We have celebrated Harmony day and raised our new flags that fly high and proud, had a go at Sports Day and grooved to the Health Hustle with our Christies Beach PS friends, had singing time with the Elders became really good at wearing our hats outside. This last week of kindy we want to share learning plans with every child's family and celebrate the learning. Teachers will be available every morning and afternoon to discuss these with you and your child. Please make the time and provide feedback, appreciate your interest and support. Finally have a lovely safe holiday and we will see you next term. *Catherine*

- Learning program

**Worms**

Worms are glorious, they are also slimy, they wiggle, have no eyes and are wonderful for the garden because they are good at composting food scraps. Can't wait until we come back next term to replant our vegie patches.

**Going on a bear hunt?**

Have you been on a bear hunt? Well our kindy children have been exploring the picture book story through words, actions and song. Kookarki group even made a short film. Make sure you get a chance to see it. I rate it 5 out of 5 stars ★★★★★

- Car Park Safety

Friendly reminder to be extra safe in our carpark- watch for children and take your time.

Thankyou

- Occasional Care

Angie and Peta have had busy numbers in Occasional care and the little ones have enjoyed playing in the sandpit, on the bikes...generally playing outside! Contact Angie for info. 8186 1102

- Parent/Family Advisory Group

We held our AGM early in the term and the response from families was wonderful and we have just had our second meeting for the term. We discussed financial matters, learning programs and projects that we would like to undertake to enhance our learning environment- we shared ideas and had a good laugh too!

**Next meeting term 2 will be:  
Week 3- Wed 17 May at 3.30pm. All welcome**

**Taikurrendi Holiday Connections**

**Play and Lunch**

**Thurs 20 April**

**Thurs 27 April**

**11-2pm**

**Families welcome to enjoy our beautiful space, catch up with friends and have some yummy lunch. No cost. Love to see you!**

**Taikurrendi Preschool**

**Welcome song in the Kurna**

**language.**

**Niina marni, niina marni**

**Marni ie, marni ie**

**Wanta-niina, wanta-niina**

**Wodliana ,wodliana**

- Term 2 dates

Term 2 kindy/school term dates
Monday 1 May- Friday 7 July

Thankyou, Catherine and Taikurrendi staff.

Lovely learning at Taikurrendi, sometimes on our own but mostly together!
