

Taikurrendi CFC Key focus in 2018

National Quality Standards (NQS)

1. Provide a culturally rich learning environment for all children through the implementation of the early Years Learning cycle to ensure child and family voice and educator critical reflection is embedded in the program and reflected in documentation
2. Providing an environment that focusses on strengthening children's wellbeing, safety and sense of agency
3. Utilising learning environments in both Taikurrendi and the community that supports engagement by every child and embedding sustainable practices in our program
4. Continue to build capacity of whole site staff team
5. Develop deeper understandings of relationships with children
6. Strengthen partnerships with diverse communities
7. Continue to strengthen systems that support staff performance improvement and children and families engagement in decision making
